### Fluted Column Retail Pricing

	Std Woods
MFC 24/30 24" w x 24" d .....	\$1950
MFC 35/40 24" w x 24" d .....	\$2150
MFC 45/60 24" w x 24" d .....	\$2400

Part number indicates height

Columns are typically made 24" w x 24" d and any height up to 60". Specify a lip or flush top. Different dimensions are possible. If requested, a top grommet allows discrete cabling through the open base. If substantial weight is to be placed on taller columns, the column has to be anchored to the floor or wall to prevent tipping. Casters are available as an option for columns only up to 30" tall for safety reasons.

## Projector Stands

### Fixed Height Pricing

	Std Woods
MPP 24/30 .....	\$750
MPP 35/40 .....	\$800
MPP 45/60 .....	\$850

Caster Option ..... add \$60

### Adj. Height Pricing

	Std Woods
MPP 40/65 .....	\$990

Caster Option ..... add \$60

### Tilt Head Pricing

	Std Woods
MPP 40/65AT .....	\$1290

Caster Option ..... add \$60

These sturdy stands are great for small projectors and monitors. Typical tops and bases are 18" x 18". Different dimensions are possible. Order any height up to 60". Casters are available as an option for columns up to 45" tall for safety reasons.

## Wall Shelves
