

# Ellipse Style Custom Lecterns

Height adjust is available in all styles.

**A. MELC-32, Classic Walnut.** A basic Ellipse lectern with a laser engraved, painted logo. This lectern is on casters and has floor access. Protected with a padded cover, the staff at the Art Institute of Chicago can move it to wherever it's needed. Reference MFI #61002

**B. MELC-32, Custom Figured Cherry.** An Ellipse lectern with a water jet etched brass logo. This lectern is on casters and has floor access. Reference MFI #92332

**C. MELC-45, Slip Matched Quartered Red Oak.** This lectern has locking doors, a document camera drawer, keyboard pullout, a rack box, touch screen monitor and control panel mounts. The logo is laser burned in the panel and painted. Reference MFI #85412

**D. MELC-42, Custom Slip Matched Quarter Sawn Red Oak.** This 42" wide Ellipse lectern has a side cabinet shaped to fit the lectern contour. A touch screen monitor is in a well in the slant top as well as a control panel and cable cubby. A pullout keyboard shelf and locking doors cover both the lectern and the side console. A large document camera drawer and rear access door with hidden locks complete the ensemble. Reference MFI #85412

**E. MELC-32, Custom Ebony.** This Ellipse Style lectern has a special chevron cut veneer pattern. A large LCD monitor is enclosed in the back wall, pocket doors cover both the keyboard and a pullout equipment shelf. A flip-up toe gives access to the locking caster brakes. The cabinet is ventilated and has floor access. Reference MFI # 62261
