M-RPDOOR Raised Panel Locking Standard Doors...\$1750

M-RPOCKET Raised Panel Locking Pocket Doors.....\$2130

Caster Options

Electric Retractable Casters

This new option allows you to roll any size lectern, workstation, or monitor cabinet onto a stage or floor, push a button and the casters are lifted off the floor electrically. Push the button again and it is lowered to allow movement. Quiet and totally stable, this is the best solution for a long time issue. This system does not reduce cabinet space and can be combined with our height adjust system.

MRC-JR Electric Retractable Casters\$3500

Step Brake

This option instantly immobilizes any piece of furniture on any floor surface by lifting the cabinet off of its casters. Step to set, step to release.

MSB Step Brakes, Set of 2\$850

Flip-Up Toe-Kick

If you are ordering casters with brakes (no-charge option) because you are operating on hard surface floors, you need to access the brakes. This flip-up toe makes that easy and hides the casters when it is down.

FLIP-UP TOE Flip-Up Toe-Kick\$230

Caster Brake Access Toe-Kick

Casters with brakes (usually used on hard surface floors) are a no-charge option and now we can offer this modified toe at no cost to make it easy to set and release the brakes.

CBAT Caster Brake Toe-Kick Cutout..... No Charge
