MPL-24 Desktop Lectern.....\$800

Custom Desktop Lecterns..... Call for pricing

## Custom Edges for Desks, Credenzas & Workstations

### Solid Wood Edging For Cabinets

These custom top edges all add a solid band of hardwood around the top. This protects the top surface (veneer or laminate) and the solid edge is very durable.

This pricing is for lecterns, desks, credenzas, workstations and cabinets. See page 42 for conference table edging.

M-CWE Per lineal foot, all standard profiles.....\$70/ft

### T-Mold Edging For Cabinets

This t-mold edge adds a durable plastic band around the top. This protects the top surface (veneer or laminate). Available in a wide variety of colors and styles.

This pricing is for lecterns, desks, credenzas, workstations and cabinets. See page 42 for conference table edging.

M-TME Per lineal foot, T-Mold Edge.....\$30/ft

## Sound Systems & Speaker Grills

We can build in sound systems and make custom fabric or metal speaker grills. We'll work with your equipment or we can supply Amplivox™ or Anchor™ brand equipment.

An EXEC-25 shown with a Anchor™ Component Sound system.
