

Custom Tables

Boat-Shape Conference Table

This 90" x 40" table is made in African Lacewood veneer with a custom 3" chamfered edge. The credenza base houses a lift mechanism that raises the center of the table to provide laptop connectivity. The base has doors to give access to wiring, the hydraulic lift and to racked equipment. Hidden vents provide needed airflow. Reference MFI#22099"

Boat-Shape Conference Tables

This 144" x 48" Light Red Walnut table has a self-edged veneer top. Reference MFI#06481"

This 183" x 48" Custom Birch table has a solid, waterfall edged top. The end legs have doors to access wiring. A cable trough connects the four legs. Reference MFI#69441"

Racetrack Conference Table

This 96" x 48" Red Cherry table has a solid bullnose top edge. One leg has a door to access wiring. A cable chase connects the legs. Reference MFI#34099"

Racetrack Conference Table

A 96" x 60" Natural Maple racetrack table with a solid bullnose edge. A cable trough connects the barrel legs. Cutouts in the legs allow for cable access. Reference MFI# 99661
