Wall Cabinets

A whiteboard cabinet in Natural Cherry with cork door liners and a flip-chart clamp

An electronic whiteboard cabinet in Brown Mahogany with cork door liners.

A Black Oak tambour door cabinet holding a plasma monitor

Whiteboard Cabinets have a ceramic writing surface, cork or fabric panels on each door and a clamp for flip charts on one door. The cabinet frame is deep enough for eraser and pen storage. The cabinet doors lock. These cabinets are made to order in any size. Larger cabinets may need to have bi-fold doors if wall size is less than twice the overall width of the cabinet.

Whiteboard Cabinet

Retail Pricing	Std Wood
MW-50 For Cabinet up to 50"x50".....	\$6500
MW-70 For Cabinet up to 55"x72".....	\$7000
Bi-Fold Doors.....	add \$1200
Raised Panel Doors.....	add \$1750

Electronic Whiteboard Cabinets are deeper to accommodate the electronic whiteboard. There are cork or fabric panels on each door and a clamp for flip charts on one door. The cabinet frame is deep enough for eraser and pen storage. The cabinet doors lock. Larger cabinets may need to have bi-fold doors if wall size is less than twice the overall width of the cabinet.

Electronic Whiteboard Cabinet
