Custom Designs Built for Technology

Marshall Furniture has been building courtroom technology furniture for over 30 years. Our foundation is rooted in the AV industry so we understand the relationship between technology and architecture. This experience with the AV industry also means that we can design your furniture around existing system requirements or put you in touch with an AV integrator for your next project.

Judge's Bench, Clerk
& Witness Stand

Counsel Tables

Evidence Carts

Lecterns
& ADA Wheelchair
Accessible
Workstations

Our Design Services

Whether you need a stock product or would like to bring an imaginative idea to life, our friendly designers can help. Our pieces are built to your AV & architecture preferences for a perfect blend of form & functionality.

Where to Buy

Our furniture is sold exclusively through AV Systems and Contract Furnishings Dealers worldwide.
