

ADA Furniture

The Americans with Disabilities Act (ADA) was created to prohibit discrimination against individuals with disabilities. Our designers can specify lecterns, desks, workstations, and tables to meet essential ADA requirements concerning proper knee space clearance, wheelchair height accessibility, and equal access to controls.

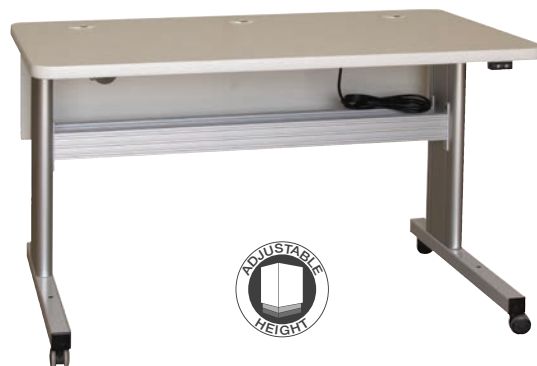

Height Adjustable Desks, See Page 22

Height Adjustable Workstations, See Page 26

Wheelchair-Friendly Work Surfaces, See Page 13

Height Adjustable and Fixed Height Tables Designed for Comfortable Wheelchair Use, See Pages 32-38
