

Options

AC Outlets with USB

AC-USB AC Outlet w/two USB Ports, includes Surge Protector. This AC Outlet has two USB ports as well as two 120v grounded outlets.

Compact Cable Reservoir

Cable-C Compact Cable Reservoir, includes Surge Protector.

Our Compact Cable Reservoir has two AC outlets in the bottom and two large grommets on either side to allow greater cable capacity in a small space.

Medium Cable Reservoir

Cable-M Medium Cable Reservoir, includes Surge Protector.

Optional Reservoir Powder Coat Colors

White

Silver

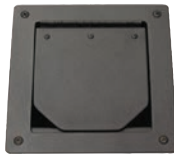

Two AC outlets and two USB ports connect to a 6-outlet surge protector with a 6 ft. cord. There is one large oval grommet and three small grommets with cord retainers. Install in the back wall or on the flat work surface.

Small Cable Reservoir

Cable-S Small Cable Reservoir, includes Surge Protector.

Our small reservoirs have a large grommet in the bottom of the well. They are usually paired with the AC-USB Outlet. There is a \$100 discount on the AC-USB Outlet if you order a small reservoir at the same time.

The AC Outlets are wired to a 6-outlet Surge Protector that is included when you order outlets.

NEW!

Cable-EX Medium Cable Reservoir with an Extron AAD Super Plate 100, includes Surge Protector.

Fluorescent Lights

MFL-10 Fluorescent Light, 10"
We can add an undermount fluorescent light under a custom top cap. Instant start, 7 watt, 10" Hera Slim Lite.

Flush Mounted LED Lights

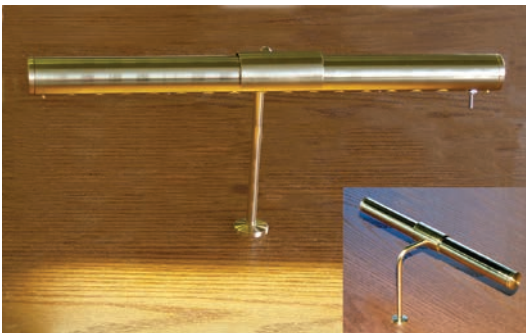

MFM-LED Flush LED Light
LED lights can be installed to provide task lighting in places where other types are impractical. The lights can be dimmed and last a very long time.

Clocks & Clock Timers

MCT-PD Clock Timer
MCL Digital Clock, no timer (not shown)
This clock timer is simple to use. Instructions are right on the face. Powered display is clear in any light. A battery backup maintains correct time when the lectern is unplugged.

LED Solid Brass Lights

M-LEDB-6 Brass-LED, 10" wide 6" tall
M-LEDB-9 Brass-LED, 10" wide 9" tall
These lights are hand-made in Ohio from solid brass. Height of support is either 6 or 9 inches. Length is 10". Angle of light head is adjustable.
