Monitor Mounts

Secure Pop-Up Mount

M-POP Pop Up Monitor Mount
Most LCD monitors can be mounted on our gas-shock frame that allows the monitor to lay flat or pop up. This mount is very effective with touch screens plus the security of a VESA mount can be increased with security cables.

Front Recessed Monitor Display

M-FRMD
A monitor can be mounted in the audience side of a lectern or desk for digital signage. Fixed or swing out mounts available.

Open LCD Monitor Mount

M-MON-L Open LCD Monitor Mount
This is a simple mount that ensures compatibility with a wide range of monitors. The well is 3" deep and open in the back for cabling.

Recessed Open LCD Monitor Mount

M-LCD Recessed Open LCD Monitor Mount
An enclosed well is constructed and the monitor is mounted on a VESA mount.

Electric Monitor Rotator

MEMR-24 Electric Monitor Rotator
This mechanism rotates a monitor in a table or desk at the touch of a button. The movement is quiet, sturdy, and reliable. For monitors up to 24" diagonally.

Recessed Glass/Plexiglass LCD Mount

M-LCD-PG Recessed Monitor w/Plexiglass
M-LCD-TG Recessed Mon w/Tempered Glass
An enclosed well is made and the monitor is mounted on a VESA mount. A plexiglass or tempered glass cover is installed to protect the monitor.

Recessed Mount with Locking Cover

M-LCD-SP Security Cover w/Plexiglass
M-LCD-SG Security Cover w/Tempered Glass
An enclosed well with the monitor mounted on a VESA mount. A locking frame is installed to protect the monitor.

Touch Screen Monitor Mount

SYM-24 Touch Panel Mount
This mount accommodates the adjustable angle mechanism on large touch screen monitors. When the monitor is at its lowest position, it is flush with the work surface. It can also be installed in slant or flat top lecterns. Mount is not included in split top cost.

Recessed VESA Mount

M-RVM Recessed VESA Monitor Mount
The most economical mount is just a fixed VESA mount on the back wall with a notch in the work surface. The monitor is out of sight to the audience and the notch allows the speaker to see the entire screen.

Ergotron LCD Mounts

MMI Monitor Mount Install
We supply and install Ergotron articulated mounts or we will install mounts sent to us.

Small Monitor Mount Box

M-MB Small Mount Box
These boxes are hand made to fit small monitors. Size, angle, and finish as needed.
