## Keyboard Shelves

### Fixed Height Keyboard Shelf

#### M-KS Fixed Height Pullout Keyboard Shelf

Single shelves are framed with solid wood to make sure they will stand up to major abuse. The drawer slides have a detent when fully extended that keeps the shelf from sliding in when typing. The front and rear framing forms a lip to keep your keyboard and mouse in place and makes it easier to pull the keyboard out.

### Dual Fixed Height Keyboard Shelf

#### M-KSX2 Fixed Height Pullout Keyboard Shelf

Dual shelves are framed with solid wood to make sure they will stand up to major abuse. The drawer slides have a detent when fully extended that keep the shelf from sliding in when typing. The front and rear framing forms a lip to keep your keyboard and mouse in place and makes it easier to pull the keyboard out.

### Drop Front Keyboard Shelf

### Adjustable Height Keyboard Shelf

#### M-ADJ-KS Adj. Height Keyboard

Our adjustable height shelves move up or down, twist side to side, and have an angle adjustment.

### Decorative Fixed Height Keyboard Shelf

#### M-KSD Decorative Fixed Height Pullout Keyboard Shelf

Our pullout keyboard shelf has a stylish faceplate to complement your lectern.

#### M-DFKS Drop Front Locking Keyboard Shelf

A locking drop-down door front covers the pullout keyboard.

## Equipment Shelves

### External Built-up Pullout Shelves

#### M-EPS Built-Up Shelf 22" Maximum

#### M-EPSL Large Built-Up Shelf (24"+)

These shelves are built up on the sides and have a front piece that is grain matched to the cabinet side. When closed they are almost invisible. The smaller shelves are rated at 50 lbs. The larger sizes are rated at 90 lbs.

### Internal Pullout Shelves

#### M-PS Pullout Shelf (maximum 22"d)

These are pullout shelves similar to keyboard pullouts. They are made deeper for use as equipment platforms or as a place to put papers. These shelves are rated at 150 lbs.

### Extra Shelves

#### M-ADJ-S Adjustable Shelf

All of our lecterns, cabinets, and credenzas come with one or two shelves indexed to shelf pins preventing any slide off. Additional shelves are available for an extra charge.
