

# Custom Desks

Our custom desks can be designed for a variety of applications: classrooms, courtrooms, command centers, reception areas, etc. Standard features include knee space, surface grommet, floor hole for cable pass, ventilation as needed, and swivel carpet casters or levelers. You can customize to suit your needs by adding popular options such as rack, a monitor well, or height adjust. Finish off your custom desk solution in any of our 23 stock wood veneer finishes, any laminate, or a custom color or wood match.

**MDCD-87 Custom Rift White Oak Class Style Deep Reveal Desk with Companion MDP-60 Side Desks**
