Reference MFI #30199™

Radius Style Shallow Reveal Desks

Retail Pricing starts at \$6,400

MDRS-50 Classic Mahogany

Designed with height adjust and minimal AV storage, this desk includes solid wood radius corners and a full front removable access panel for service. The doors were slotted for ventilation.

Reference MFI #67903™

Radius Style Deep Reveal Desk

Retail Pricing starts at \$7,300

MDRD-72 Ebony Naturelle Laminate

Designed as a stool height instructor's station, this desk includes aluminum radius corners. Inside, a rack box was made to match and can pull out for service.

Reference MFI #19732™

Integral Gallery Rail Style Desks

Retail Pricing starts at \$4,700

MDGR-74 Natural Maple

Designed with dual bay rack, this desk includes vented doors, a fixed height keyboard shelf, and two rear access panels for service.

Reference MFI #09872™

Curved Style Desks

Retail Pricing starts at \$9,850

MDCV-102 Fusion Maple Laminate

This curved desk was designed for a telehealth conference room. Multiple preview monitors were recessed for a clean look. The large knockout on the side allows for the desk to be set up against a wall for power and cable connection.

Reference MFI #41513™

Classic Style Shallow Reveal Desks

Retail Pricing starts at \$4,800

MDCS-98 Neapolitan Bamboo

Complete with height adjust, rack storage, and a lectern top, this desk also includes dual hidden rear access panels, a locking document camera drawer, and a laser-burned medallion logo.

Reference MFI #94922™

Classic Style Deep Reveal Desks

Retail Pricing starts at \$5,700

MDCD-87 Custom Rift White Oak

Designed for a large auditorium, this desk features a hydraulic lifting top in the center, VESA mounted LCD panels, a locking document camera storage box with vented locking doors to secure the rack below. Two MDP-60 side desks create additional seating.
