

Custom Floor Standing & Wall Mounted Rack Cabinets

Custom floor standing and wall mounted rack cabinets are versatile storage solutions specified around your material or style preferences. Floor standing cabinets include surface grommet, standard locking door, fixed rack rail, locking rear access panel, floor hole for cable pass, ventilation as needed, notched toe for air intake, and 4" locking swivel carpet casters. Wall mounted rack cabinets come standard with a surface grommet, front locking access panel, pullout rack frame, and hanging cleats for attachment. Custom versions can be specified in any of our 23 stock wood veneer finishes or laminate while Quick Ship models are available in our 13 stock melamine finish colors.

Prairie Style Rack Cabinets

Retail Pricing starts at \$4,250

MRCS-28P Custom Rift White Oak
This mobile rack cabinet was built with custom veneer and stained to match the existing millwork. It included a locking pocket door, 12 front and rear rack units, and an optional recessed base.
Reference MFI #61472™
