

Custom Mobile Tables

In addition to our boardroom and collaboration tables, we offer a large variety of mobile tables for smaller arrangements or training labs. Available in multiple sizes and shapes, mobile tables can be specified with small equipment cutouts at no additional charge. Standard leg options differ depending on table style. All models are available in any of our 23 stock wood veneer finishes, laminate, or can be custom color or wood matched.

Modular Nesting Tables with Folding Tops

Retail Pricing starts at \$2,450

NML 30x60 Natural Recon Laminite

Reference MFI #99792™

NML 30x60 Natural Recon Laminite

Reference MFI #99792™

Training Tables

Metal C or T-Legs are Standard

Retail Pricing starts at \$3,750

MTC 30x70 Natural Maple

This Training table includes a solid wood eased edge and a keyboard pullout shelf. The metal C-Legs include a wire guard, casters, and matching modesty panels.

Reference MFI #75113™

MTC 30x48 White Laminite

This Training table includes a laminate surface with self edge and optional 3" gallery rail. The metal C-Legs include a matching modesty panel and casters.

Reference MFI #49492™

Mobile Side Tables

Retail Pricing starts at \$2,950

MST 30x72 Custom Cherry

This Mobile Side table includes wooden straight legs with a matching modesty panel and casters. A solid wood edge adds durability.

Reference MFI #64381™

MST 30x48 Custom Quartered Walnut

Multiple Mobile tables make up this ensemble, all ready to sit beside a mixing board console. The top edge is a custom solid wood profile made to match existing millwork in the room. A half-modesty panel creates privacy and joins the wood C-Legs.
